

## WORKSHOP IN BERLIN

# An MFF for the Climate

**Berlin, dbb forum berlin (Friedrichstraße 169, 10117 Berlin), 10 & 11 April 2019**

**Background** The purpose of this project is to increase awareness of the need to make the EU budget climate-proof. It engages national civil society organisations (CSOs) in a participatory process to exchange views and plan advocacy work so they can have an impact on the outcome of the next Multiannual Financial Framework (MFF) of the EU budget (2021–27). We are pleased to invite you to our two-day workshop to discuss with you the current state-of-play of MFF negotiations, the interim results of our questionnaire and the role national and European CSOs could play in the next months before the MFF 2021–2027 is approved by the European Parliament and EU Council.

### Day 1: Wednesday, 10 April 2019

13:00

Supported by:

Federal Ministry  
for the Environment, Nature Conservation  
and Nuclear Safety

European  
Climate Initiative  
EUKI

based on a decision of the German Bundestag

The European Climate Initiative (EUKI) is a project financing instrument by the German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMU). Its implementation is supported by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH. It is the overarching goal of the EUKI to foster climate cooperation within the European Union (EU) in order to mitigate greenhouse gas emissions.

The European Climate Foundation and the Heinrich Böll Foundation have provided some co-funding.
