Italian Presidency
of the Council
of the European Union

05 November 2014 - GBE Annual Meeting, Bruxelles

Reasons for the Italian EU Presidency to support the GBE Annual Conference

- We are in the middle of a potential Green Fiscal Reform: “Fiscal Delegation” powers from the Parliament to the Government for a general tax reform including EFR
- The technical support that GBE is giving to the EU, the EC and MCs to advance in ambitious and realistic EFRs
- The conferences and workshops jointly organised, e.g. in Bocconi University 2013
